

THE MUNICIPAL COURT OF SEATTLE

DECLARATION OF NON-RESPONSIBILITY Traffic camera red light enforcement program

A **DECLARATION OF NON-RESPONSIBILITY** may not be used by employers/principals to transfer responsibility to their employees/agents. As a matter of law, a vehicle registered to an employer/principal that is driven by an employee/agent remains in the "care, custody, and control" of the employer/agent and thus, the employer/principal is responsible for payment of the infraction penalty. Like a parking infraction, an employee/agent may take responsibility for a traffic camera infraction by submitting payment directly to the Court or by requesting a hearing in his or her name. Infractions generated by traffic cameras will not appear on any Department of Licensing driver record.

Notice No: _____ License Plate No.: _____ State: _____

In the spaces above, you must accurately write the 13-digit Notice Number that appears in the box in the upper right of the front of the Notice of Infraction and the license plate number and state for the vehicle involved in the infraction. Please write clearly and make sure you record the information accurately. If the Notice of Infraction Number is unclear or incorrect, the Court will not be able to match your declaration to your infraction, and the infraction will go to a collection agency if not paid.
